This paper analyses the struggle of Janie against matrix of domination in *Their Eyes Were Watching God*. The writer also analyses the way of knowing that Janie uses to gain her self empowerment. It is aimed to highlight the importance of women's individual feelings, through experiences and relationship. In this research paper, the writer uses Library research. In the library research the writer will look for some literature books in order to find some theories given by experts about the matrix of domination and any articles about theory of knowing as references. She also will browse any information related to the topic using the internet. The research reveals that Janie fights against matrix of domination by gaining her self empowerment and liberation. Janie progresses her self empowerment by exactly the same process with the theory of knowing by Belenky et al.
ACKNOWLEDGEMENTS

First of all, I want to thank Almighty God, Jesus Christ for His grace and blessing. Without Him I would be nothing. He gives me power and strength to be strong in making this thesis since the beginning until the end. Thank you Lord.

I express my gratitude to my mentor, Mr. Akum, S.Pd, M.Hum for his assistance, guidance, and patience during my thesis writing.

I also want to thank the Dean of Faculty of Letters, Mrs. Inneke Indradewi, Dra., M.Hum., and Head of English Department, Mrs. Wiwik Andriani, Dra., as well as the lecturers who have given me valuable knowledge so I can accomplish this thesis.

My deepest thank goes to my family for encouragement and support. Especially my father, because he has taught me how important knowledge is and has always trusted me in everything. Also my beloved mother and brother who always support me, and lifts me up when I am down. Thank you all so much, I am so blessed to have you all.

I am very thankful to Jun, who has given me a lot of support and is always ready to accompany me to every place that I want to go. I'm so glad to have you by my side when I get through this.

Last but not least, I also show my appreciation to all my friends in 18a (Elvin, Martina, Kaka, Silvi and Metta), and friends at campus especially Anggi, Desy and Novi for supporting me during my thesis writing. They have given me suggestions, inputs, supports throughout the writing.
