ABSTRACT

The research is written in order to define and analyze the materiality problem inside the chosen novel *The Adventure of Huckleberry Finn* by Mark Twain. The goal of this research is to find out how Materiality takes an important part to the problem in the novel. Literary research is used as the research method. The main theory uses Marxism theory developed by Karl Marx with the tools that relates to his theory, Class Struggle. The analysis has proved that the materiality can be seen through the money, property, food and land. Materiality problem or economic problem has a relation with the characters’ to struggle their class. There is a relationship between materiality and children. Children showed struggle to get better life and they have to find it by themselves. The Class struggle mostly appears in the character’s life in the novel and it comes as the main idea to do the research.
