ABSTRACT

This paper discusses about psychoanalysis and multiple personality disorder in The Man character on “The Tell-Tale” Heart short story. The problem formulation is about analysis the main character (The Man) that has multiple personality and it will use the theory of psychoanalysis and multiple personality disorder. The goal of this paper is to analyze the characteristic of the main character and the function is to help readers to understand about the character of The Man. After analysis the short story, The Man actually has a problem with himself which is his hallucination has made his mind mess. He says that he hates the vulture eye of The Old Man because it is like the eye of an evil. The Man kills The Old Man because his hallucination become real and his desire to kill The Old Man can not be controlled again.
ACKNOWLEDGMENTS

First of all, I would like to thank you to my Lord Jesus Christ for giving me his blessing, power and strength to finish this paper. It is because of him I can stand and live until today. Second, thanks a lot to my mentor Mrs. Sri, for his patience and suggestion in my writing of this paper. Third, I would like to thank Mrs. Icaneke Indra Dewi as the Dean of faculty of Letters, Mrs. Risa Rumentha Simanjuntak for giving me the chance to write my paper.

Thanks to my Mom and Dad, for their love and support in finance in my whole life. Thanks for them to trust me to finish the study at Bina Nusantara University. Special thanks to Joko, for loving and supporting me in writing this paper.

For the last, thank you so much to Christian, Winnie, Christy, Punk, Tze2, and the others that I can not mention all, for their support during the process of my writing. Also thanks to them for being my friends. God Bless You.

# TABLE OF CONTENTS

## CHAPTER 1  INTRODUCTION

1.1 Background of Study .................................. 1  
1.2 Problem Formulation ................................. 2  
1.3 Scope and Limitation ................................. 2  
1.4 Goal(s) and Function(s) ............................. 2  
1.5 Research Methods ................................ 3  

## CHAPTER 2  REVIEW OF RELATED LITERATURE

2.1 Character ........................................... 4  
2.2 Psychoanalysis ..................................... 5  
  2.2.1 Structure of Personality ......................... 5  
     2.2.1.1 Id ........................................ 6  
     2.2.1.2 Ego ....................................... 6  
     2.2.1.3 Superego ................................ 7  
  2.2.2 Anxiety ......................................... 8  
     2.2.2.1 Reality Anxiety ............................ 8  
     2.2.2.2 Moral Anxiety ............................. 8  
  2.2.3 Ego Defense Mechanism ......................... 9  
     2.2.3.1 Rationalization ......................... 9  
  2.2.4 Instincts ....................................... 9  
     2.2.4.1 Death Instincts .......................... 9  
  2.3 Multiple Personality Disorder ................. 10  
     2.3.1 Signs and Symptoms ....................... 11  
     2.3.2 Causes .................................... 11  

CHAPTER 3  RESEARCH REPORT

3.1  Id, ego, and superego................. 13

3.2  Anxiety.............................. 17
   3.2.1  Reality Anxiety.................. 17
   3.2.2  Moral Anxiety.................... 18

3.3  Ego Defense Mechanism.............. 18
   3.3.1  Rationalization.................. 19

3.4  Instincts............................ 22
   3.4.1  Death Instincts.................. 22

3.5  Multiple Personality Disorder...... 24
   3.5.1  Causes........................... 28

CHAPTER 4  CONCLUSION AND SUGGESTION........ 32

CHAPTER 5  SUMMARY.......................... 34
