ABSTRACT

This thesis is written in purpose to find out and learn the similarities between Narnia: the Lion, the Witch, and the Wardrobe and the Holy Bible. By reading thoroughly the Narnia: The Lion, the Witch and the Wardrobe the writer then divide it using plot and then by using symbol as a tool to find the similarities the writer was able to find it. The result of the research is that there really are some similarities in Narnia: The Lion, the Witch and the Wardrobe with the Holy Bible. These similarities made the writer more sure that C.S. Lewis wrote Narnia: The Lion, The Witch and the Wardrobe with the idea to put what the Holy Bible has taught to the book so that people and especially children will have more interest to read it.
