ABSTRACT

The purposes of this research are: 1) to identify the four basic personalities of Kanaan High School teachers; 2) to identify the personality weaknesses and strengths of Kanaan High School teachers; 3) to identify the teachers' ideal characteristics for teaching each subject of the lesson. The methods of this research are: 1) Library research by selecting, reading, and comprehending some textbooks; 2) Field research by distributing questionnaires to 25 teachers. The analysis is done by tabulating the returned questionnaires, and the conclusions indicate that: 1) There are many types of personality that teachers at Kanaan High School have; 2) There are weaknesses and strengths of the personalities which influence the teachers' daily activities; 3) There are ideal characteristics that every teacher should know in order to have a good classroom management.
